Signs: "Healing a Man Born Blind"

This 7 week series examines the miracles in the Gospel of John identified by the author as "signs." Signs point beyond themselves and communicate something important. Each of the miracles performed by Jesus reveal something important about the Kingdom of God and the nature of God/Jesus. Each week will focus on one miracle and seek to relate the implications to our lives today. Ultimately, the signs show the power and the identity of Jesus as God in the flesh.

The goal of this series is invite believers to trust Jesus more in the day-to-day challenges of life and invite those who have not yet trusted Jesus to cross the line of faith.

Thanks for all you do...
